## PRESERVING QUALITY WHILE REDUCING COSTS

Looking for a packaging that can live up to the stringent liquid preservation requirements? In search of a pack concept that **introduces low costs, safe delivery** and the **most sustainable alternative** to glass bottling?

Meet the **Thrace Group Bag in Box** packaging! Preferred by leading wineries, catering services, dairy producers and other liquid product manufacturers around the world, Thrace Group BIB is the tried and tested packaging option that **ensures your competitive advantage and maximises the end consumer experience.**

## THE TRUSTED PACKAGING SOLUTION FOR LIQUID AND SEMI-LIQUID PRODUCTS.

Thrace Group Bag in Box (BIB) combines the **top advantages of flexible packaging** for **both liquid and semi-liquid products**, using the **latest technologies** in order to provide:

### INCREASED CONTENT PROTECTION:

The top barrier qualities of Thrace Group BIB help **preserve content for longer, increasing shelf life** and **minimising product waste**, even after opening.

### ENVIRONMENTAL BENEFITS:

Our Bag in Box Packaging requires **far less energy to produce** and has a significantly **lower carbon footprint** as compared to other packaging options.

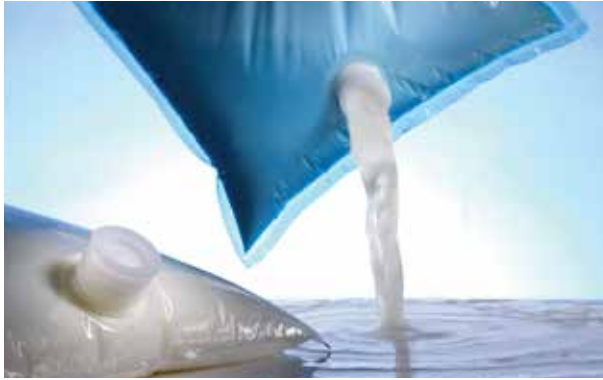

### COST-EFFECTIVENESS:

The **highly reduced weight** of BIB **decreases transportation costs** to the minimum, leading to **fewer logistics costs**. Thrace Group BIB also **ensures space efficiency during storage**.

### END-USE CONVENIENCE:

Thrace Group BIB is **portable, easy to handle** and offers **unique dispensing advantages, promoting hygiene** and **minimising the risk for accidents**.
