Notes to the Notification Form:

^{viii} *The total number of voting rights shall be composed of all the shares, including depository receipts representing shares, to which voting rights are attached even if the exercise thereof is suspended.*

^{ix} *If the holding has fallen below 5%, it is not necessary to disclose the extent of holding, only that the new holding is "below minimum threshold".*

^x *In case of combined "direct" and "indirect" holding of voting rights, please split the voting rights number and percentage into the direct and indirect columns. If holdings are exclusively held "direct" or "indirect", please put a dash (-) at the other column.*

^{xi} *Date of maturity/expiration of the financial instrument, i.e. the date when right to acquire shares ends.*

The full chain of controlled undertakings, starting with the ultimate controlling natural person or legal entity, has to be presented also in the cases in which only on subsidiary level a threshold is crossed or reached and the subsidiary undertaking discloses the notification. In case of multiple chains, through which the voting rights and/or financial instruments are effectively held, the chains have to be presented chain by chain.*

^{xviii} *The names of controlled undertakings, through which the voting rights and/or financial instruments are effectively held, have to be presented irrespectively whether the controlled undertakings cross or reach the lowest applicable threshold themselves (5%).*
