

HORECA PRODUCTS

Evolving alongside the Foodservice Industry

Since 2002, **Thrace Group** has been a dedicated partner to the foodservice sector, providing high-quality products designed to meet the demands of modern business. With a focus on functionality and reliability, we deliver solutions that simplify professionals' daily operations.

We stay ahead of market trends and continuously evolve, ensuring you have everything you need to operate efficiently and with complete confidence – today and in the future.

NEW

Thrace Group 3D Studio

The new **3D Studio** app takes custom cup and container design to the next level. This modern, user-friendly tool enables businesses to create the ideal packaging solution, perfectly tailored to their brand identity.

With realistic 3D visualization and simple customization, 3D Studio turns your concept into a reality, quickly and effectively. Because in today's market, packaging is not just a product – it is part of the experience.
